

WASHINGTON STATE FATHERS NETWORK

A Powerful Voice for Fathers and Families of Children with Special Needs

Hello Dads!

We invite you to the WSN State Conference on Saturday, October 5, 2013, which promises to be an exceptionally interesting one!

Connecting with dads is a highlight of the event. Learn from outstanding experts. Have meaningful conversations with dads that really 'get it.' Share some humor. Listen to insights unheard anywhere else. And walk away at the end of the day feeling more confident, more grounded, most likely inspired, and very proud you are a dad!

The WSN State Conference is the only conference in the world focused totally on dads having children with special needs! We have been partnering and working with dads for 35 years and the conference provides a wonderful time each year to celebrate dads.

There are a few things for which you may want to prepare:

- ~ The **"Open Mic"** is a time for dads to address all of the dads at the same time and discuss a burning issue, share some useful information, or share some humor-all appropriate of course!
- ~Bring a picture of your child and add it to the **"Wall of Fame."**
- ~Add a perspective on **"Dads Wisdom Wall."**
- ~Bid on some very nice **"Silent Auction"** items, which helps us cover the costs of the conference.
- ~Contribute to a **50/50 drawing** and go home a big winner!

If you would like further information we would enjoy hearing from you! We look forward to seeing you. Oh, bring along a friend and make their day an outstanding one! See you soon!

Sincerely,
Greg Schell, Director
