Washington State Fathers Network State Conference

Saturday, October 11, 2014

8:30 a.m. to 4:00 p.m.

Microsoft Mixer/Commons 15255 NE 40th Street
Redmond, Washington 98052

According to dads having children with special needs this day is one of the most important of their year. The chance to update information on a variety of topics critical to dads, discussing important issues with other dads in very similar situations, and discovering our strengths as fathers , makes this day uniquely powerful. This is a perfect time to celebrate being a dad.

Bragging about our kids is also a cool thing. More information available on a regular basis between now and October 11th.
