

Volunteers Needed

Give the **Gift of Time** to a child with autism,
While giving their parents a much deserved break.
MLK Day, Monday January 15th from 10:00AM-3:00PM in Bellevue

Want to volunteer?

By giving us a few hours of *your* time, it will:

- Give a youth a free, and fun-filled day to make new friends and re-connect with old friends
- Give a children opportunities for play and recreation in a safe, calm, and fun environment
- Give a parent a much deserved break
- Give you an opportunity to spend a day hanging out and getting to know a cool kid!

Training is provided on site and volunteers will have the support of WAAA staff and behavioral health professionals during the event. The event is at We Rock The Spectrum in Bellevue. To volunteer, fill out and return the volunteer application (available on WAAA website).

GIFT OF TIME – SPECTRUM RESPITE & RECREATION

In our Spectrum Recreation sessions, adolescents ages 5 to 10 with ASD are invited to participate in social and recreational activities in a safe and calm environment, under the guidance of trained volunteers and behavioral health staff.
