Washington State
Health Care Authority

1

Outpatient Children's BH Services

Identify barriers and gaps statewide in outpatient behavioral health services; including but not limited to WISe, Family Initiated Wrap-Around, and Region-Specific Programs, and ensure all services are provided using the System of Care values. Brainstorm around possible solution ideas to present to WSCC and help determine the next steps for seeing improvement.

2

In-Patient Children's BH Services

Identify barriers and gaps statewide in in-patient behavioral health services; including but not limited to CLIP, out of state placement, and Children's Hospital. Brainstorm around possible solution ideas to present to WSCC and help determine the next steps for seeing improvement.

3

Family Peer Support and Family Leader Opportunities

Identify barriers and gaps in training topics for parent leaders that WSCC can provide support with. Ensure WSCC is sharing and creating training opportunities for people wishing to expand their knowledge of Peer and Family support. Help plan the annual Children's BH Summit and the annual Parent Weekend Training.

4

Cross-System Services

Identify barriers and gaps in cross-system communication and services. Work to create plans and find strategic partners to collaborate with WSCC to educate families on the benefits of having one treatment plan across all systems they are involved with.

5

Contact karenkelly@wscsupport.org for more details or to get a Commitment Form

Committee Expectations

- Meet once a month for 2 hours and include an additional 3-5 hours of work each month
- Workgroup members will be eligible to receive a \$50 honorarium for each meeting they participate in. *** see below for more details ***
- Workgroup members will be asked to sign a one-year commitment form
- Will be asked to attend an every other month all workgroups and committees meeting to be held in late August, October, December, February, April, and June

The honorarium is meant to show that we honor and value the time that our community members are willing to give to this project and in no way requires any participant to advocate from a perspective other than their own. You will be representing the voice of your family and the families within your circle of influence rather than representing any specific organization or vision.
